

## „The World's Largest Lesson”

### Community development and civic attitude

#### „No poverty”

In September 2017, 8thB graders, together with their English teacher Victoria Șerban, participated in a global challenge meant to introduce some sustainable development goals to children and young people and unite them in action. They dealt with the first global goal (“No poverty”) out of 17 ones designed to achieve 3 extraordinary things by 2030: end extreme poverty, fight inequality and injustice, and tackle climate change
