## „European Day of Languages”

On September 26, 2021, the students at Gheorghe Lazăr National College celebrated the European Day of Languages together with their English teachers (Alexandra Bega, Daniela Bunea and Victoria Șerban). This year, in order to celebrate, they took part in a Video Contest which involved making videos of 'birthday' wishes by saying 'La mulți ani' in as many European languages as possible. They posted these videos on a shared Padlet:
